

# ASHTON BENNETT

Provo, Utah | ashtonbennett801@gmail.com | 801-995-2671 | [Portfolio](#) | [LinkedIn](#) | [Github](#)

---

**OBJECTIVE** | Seeking an opportunity to contribute to a dynamic and collaborative development team, where I can leverage my technical skills creativity, and enthusiasm to deliver high-quality front-end solutions.

**SKILLS** | React, JavaScript, CCS, HTML, Redux, Git, Github, TypeScript, and Node.

---

## EXPERIENCE |

### **WEB DEVELOPER**, Responsive Designs LLC

*December 2022 – Present*

#### **Next.js | React | Javascript | CSS**

- Helped local businesses improve their SEO score by as much as 30%.
- Took UI design and brought it to life while collaborating with Design and Product management teams.

### **REACT DEVELOPER**, AMP GUITAR ([view](#))

*December 2022 - February 2023*

#### **React | Javascript | HTML | CSS**

- Created a web app to provide tools for guitarists.
- Using functional programming, I was able to implement complex music theory formulas to provide users with hundreds of musical scales.

### **FULL STACK DEVELOPER**, BLOG APP ([view](#))

*October 2022 - January 2023*

#### **React | Express | Node | MongoDB**

- Full stack web app that allows users to share, comment, and like blog posts.
- Created a unique user interface that resembles a handwritten journal.

### **MORTGAGE PROCESSOR**, PARAMOUNT RESIDENTIAL MORTGAGE

*April 2020 - January 2023*

- Helped the team improve their overall customer satisfaction rating by 15% by incorporating new technologies.
  - Was able to process FHA, VA, USDA, and Conventional loans using modern software such as Encompass, AIQ, and Blend.
-
