

ASHTON BENNETT

Salt Lake City, Utah | ashtonbennett801@gmail.com | 801-995-2671 |

SUMMARY | Driven software engineer specializing in front-end development, dedicated to delivering high-quality products and services that meet user needs. Experienced in designing and implementing user interfaces, with a focus on creating intuitive dashboards and data reporting tools that enhance usability and user satisfaction.

EXPERIENCE | **Frontend Developer(UI/UX)**, Monnit Corporation

August 2023 - Present

- Designed and developed custom component libraries using vanilla JavaScript, CSS, and HTML, to replace jQuery and Bootstrap.
- Boosted web application performance by 50% through optimized, lightweight code and streamlined design patterns.
- Built new full-stack features using MVC architecture, .NET Core, and .NET Framework, ensuring robust integrations and seamless functionality.
- Created designs with Figma and Adobe XD that enhanced the overall look and usability of multiple web applications, resulting in improved user satisfaction and engagement.

WEB DEVELOPER, Responsive Designs LLC

October 2022 – Present

- Leveraged Next.js, React, JavaScript, and CSS to optimize SEO strategies for local businesses, resulting in up to 30% improvement in search rankings.
- Designed and crafted a distinctive user interface, resembling a handwritten journal, to enhance the user experience and engagement.

REACT DEVELOPER, AMP GUITAR

December 2022 - February 2023

- Utilized React, JavaScript, HTML, and CSS to create an engaging and user-friendly interface.
- Leveraged functional programming techniques to implement complex music theory formulas, enabling users to access hundreds of musical scales.
